Statement of Marks Obtained at the Bachelor of Technology

III SEMESTER EXAM - 2010

Roll No. : 08ES000023 Enrollment No. : 08E180CEM30P013
 Name of Candidate : MAHAVEER PRASAD MEENA Branch : ELECTRICAL ENGINEERING
 Father's Name : RANUMAN PRASAD
 Mother's Name : SHANTI DEVI
 Name of College : Sri Balaji College of Engineering & Technology

Name of Subject	Maximum Marks			Maximum Pass Marks			Marks Obtained			Remarks
	Final Exam	Term Test	Total	Final Exam	Term Test	Total	Final Exam	Term Test	Total	
THEORY PAPERS										
EE01 Power Electronics	80	20	100	24	-	24	4*	AB	4*	
EE02 Computer Programming I	80	20	100	24	-	24	24	AB	24*	
EE03 Control Systems	80	20	100	24	-	24	11*	AB	11*	
EE04 Electronic Machines	80	20	100	24	-	24	7*	AB	7*	
EE05 Control Measurements	80	20	100	24	-	24	24	AB	24*	
EE06 Networks	80	20	100	24	-	24	10*	AB	10*	
PRACTICALS & SESSIONALS										
EE07 Power Electronics Lab	30	45	75	0	14	14	15	23	38	
EE08 Computer Programming Lab I	30	45	75	0	14	14	20	30	50	
EE09 Electrical Circuit Lab	30	45	75	0	14	14	24	30	54	
EE10 Electrical Machines Lab	30	45	75	0	14	14	18	23	41	
EE11 Control Measurement Lab	20	30	50	0	0	0	10	18	28	
EE12 Discipline & Extra Curricular Activities		50	50					26	26	
	Theory Papers	Term Test		Practical & Sessionals			Discipline & Extra Curricular Activity		Grand Total	
Total Marks Obtained	63 / 480	0 / 120		212 / 360			36 / 50		341 / 1000	
Percentage of Marks	13.13	0		58.89			72.00		34.10	
Result : FAIL										

Note: (The end-questions given below are only indicative for total the corresponding other institutions & level from the student must be advised)

- When classifying marks in each Theory Paper 30% of Final Examination and 70% of aggregate of Term Test and Top Questionnaire (MCQ) in Practical & Sessionals. 50% mark considered necessary and 60% aggregate mark considered class 'B'.
- Passing in Discipline and Extra-curricular activities is not necessary for awarding the degree unless the student is unable to secure minimum percentage (25%)
- Fail in three attempts in each semester (MCQ) in the subject and 100% Grand Total is considered in the subject. If a student fails in any subject, the grand total of all the marks obtained in all papers in the subject is notional. However, the grand aggregate mark obtained. The Grand total will be entered only if the student passes in all the marks provided for the examination.
- Grand Marks in the subject of 75% of the aggregate marks provided for all examinations in the subject is considered for award of degree unless it is higher than the marks provided for that subject. If the student passes in the subject, the grand total of marks in the subject is considered.
- Practicals, Assignments, Sessionals in the subject are not necessary for awarding the degree unless the student is unable to secure minimum percentage (25%) of the marks provided for that subject. If the student fails in the subject, the grand total of marks in the subject is notional. However, the grand aggregate mark obtained.
- Revaluation of answer sheets shall be permitted for a maximum of 20% of the marks provided for that subject. The student must submit a request for revaluation within 15 days from the date of declaration of results. The student must also pay the revaluation fee of Rs. 1000/- per subject. The revaluation fee shall be refunded if the student is successful in the revaluation. The revaluation marks shall be added to the marks obtained in the original examination. The revaluation marks shall be 50% of the marks provided for that subject.
- Answer sheets are not returned to the student in the examination. The student must submit a request for revaluation within 15 days from the date of declaration of results.
- In case of any dispute regarding the calculation of marks, the student must submit a request for revaluation within 15 days from the date of declaration of results.
- In case of any dispute regarding the calculation of marks, the student must submit a request for revaluation within 15 days from the date of declaration of results.
- For purposes of revaluation, the student must submit a request for revaluation within 15 days from the date of declaration of results.
- Term Test - A student is allowed to improve the term test (written) in the subject of the University Examination of the theory paper again and a better score. If a student has failed in any subject of the semester marks, he may re-submit the term test in the subject. The term test marks shall be added to the marks obtained in the original examination. The term test marks shall be 50% of the marks provided for that subject.
- Revaluation of answer sheets - If the student is failing in any subject, the student may request for revaluation of the answer sheets. The revaluation marks shall be added to the marks obtained in the original examination. The revaluation marks shall be 50% of the marks provided for that subject.

Total Marks Obtained	65/460	0/120	0/0	0/0	65/600
Percentage of Marks	12.39				10.83

Result: **FAIL**

NOTE: (The brief guidelines given below are only indicative. For detail, the corresponding instructions/conditions issued from time to time shall be referred.)

- Minimum passing marks in each Theory Paper 20% in Final Examinations and 40% in aggregate of Term Test and Final Examinations (40% in Practical & Assessment 20% in attendance/extra-curricular).
- Passing in Assessment and Extra-curricular activities is not necessary to make a student eligible for the assessment marks (percentage) scoring.
- Exam: (A) when applied the marks 'Pass' or 'O' denotes Grade marks awarded in the paper. (B) when the assessment is passed, the given marks are added marks which are further added in the final assessment. (C) when the marks are not passed, the marks awarded for practice only if the student appears in other examinations for the assessment.
- Share Marks: When a student fails in the aggregate marks (percentage) for an examination or for a subject, the marks awarded for the subject (percentage) shall be awarded. (A) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (B) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (C) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded.
- Re-evaluation: A student may be permitted to re-evaluate his/her marks in the subject (percentage) in which he/she has failed. (A) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (B) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (C) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded.
- Re-evaluation: The student may apply for re-evaluation of the marks awarded in the subject (percentage) in which he/she has failed. (A) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (B) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (C) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded.
- Re-evaluation: The student may apply for re-evaluation of the marks awarded in the subject (percentage) in which he/she has failed. (A) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (B) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (C) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded.
- Re-evaluation: The student may apply for re-evaluation of the marks awarded in the subject (percentage) in which he/she has failed. (A) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (B) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (C) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded.
- Re-evaluation: The student may apply for re-evaluation of the marks awarded in the subject (percentage) in which he/she has failed. (A) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (B) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (C) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded.
- Re-evaluation: The student may apply for re-evaluation of the marks awarded in the subject (percentage) in which he/she has failed. (A) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (B) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded. (C) when a student fails in the subject, the marks awarded for the subject (percentage) shall be awarded.

Result	FAIL									

NOTE 1: (The brief guidelines given below are only indicative. For detail, the corresponding rules/regulations issued from time to time shall be followed.)

- Minimum passing marks in each Theory Paper shall be 20% of the maximum and 40% in aggregate of the Theory & Practical/ Viva components. 40% in Theory and 20% in aggregate of both components shall be required.
- Passing in the Theory Paper shall be compulsory for the candidate to be eligible for the practical examination. There shall be no carry over of marks in the practical examination.
- The Theory Paper marks should be 75% and above and 50% in aggregate of the marks obtained in the theory papers to pass the examination. However, the pass marks in the theory papers shall be subject to the minimum marks in the practical examination. The marks in the theory papers shall be subject to the minimum marks in the practical examination.
- Passing Marks in the theory part of the aggregate marks shall be 40% of the maximum (60 marks in the theory part) and 20% of the aggregate of the theory and practical marks (100 marks) in the aggregate.
- Practical/ Viva: The candidate shall be permitted to sit for the practical examination if he/she has secured above 20% of the theory papers and 40% of the aggregate of the theory and practical marks (100 marks) in the aggregate.
- Re-evaluation: Re-evaluation shall be permitted in the theory part of the examination. For re-evaluation, the candidate shall submit the original answer sheet to the Controller of Examinations, Rajasthan Technical University, Jaipur. The candidate shall also submit a request for re-evaluation to the Controller of Examinations, Rajasthan Technical University, Jaipur. The candidate shall also submit a request for re-evaluation to the Controller of Examinations, Rajasthan Technical University, Jaipur.
- Re-evaluation shall be permitted in the theory part of the examination. For re-evaluation, the candidate shall submit the original answer sheet to the Controller of Examinations, Rajasthan Technical University, Jaipur. The candidate shall also submit a request for re-evaluation to the Controller of Examinations, Rajasthan Technical University, Jaipur.
- All marks shall be subject to the discretion of the Controller of Examinations, Rajasthan Technical University, Jaipur. The Controller of Examinations, Rajasthan Technical University, Jaipur, shall have the final say in all matters relating to the examination.
- The final result shall be subject to the discretion of the Controller of Examinations, Rajasthan Technical University, Jaipur. The Controller of Examinations, Rajasthan Technical University, Jaipur, shall have the final say in all matters relating to the examination.
- Re-evaluation: Re-evaluation shall be permitted in the theory part of the examination. For re-evaluation, the candidate shall submit the original answer sheet to the Controller of Examinations, Rajasthan Technical University, Jaipur. The candidate shall also submit a request for re-evaluation to the Controller of Examinations, Rajasthan Technical University, Jaipur.
- Re-evaluation shall be permitted in the theory part of the examination. For re-evaluation, the candidate shall submit the original answer sheet to the Controller of Examinations, Rajasthan Technical University, Jaipur. The candidate shall also submit a request for re-evaluation to the Controller of Examinations, Rajasthan Technical University, Jaipur.

Result: PASS

NOTE: (The listed guidelines given below are only indicative. For detail, the corresponding course brochures issued from time to time should be referred.)

- Minimum passing marks in each Theory Paper 20% of Total Examination and 40% of aggregate of Test, Term Test, and Seminar/Quiz.
- Passing in Descriptive and Lab Examinations is compulsory for theory examinations unless otherwise specified in the course brochure.
- Students are required to appear in each exam. Failure to appear in any exam will be treated as a withdrawal. Students who withdraw are subject to the university's rules regarding re-examination.
- Students who fail in any exam by 1% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 2% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 3% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 4% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 5% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 6% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 7% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 8% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 9% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 10% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 11% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 12% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 13% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 14% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 15% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 16% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 17% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 18% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 19% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
- Students who fail in any exam by 20% of the aggregate marks prescribed for an examination, the university will be deemed to have failed in that examination.
