संदेश

मुझे यह जानकर प्रसन्नता हुई है कि कोटा विश्वविद्यालय, कोटा कोविड-19 की विषम परिस्थितियों में भी छात्रों के हितार्थ ज्ञान के संवर्द्धन हेतु सूचना प्रौद्योगिकी के माध्यम से शिक्षा का प्रभावी प्रसार कर रहा है।

सूचना और संचार प्रौद्योगिकी के इस दौर में ऑनलाइन शिक्षण को प्रभावी करने के साथ ही गुणवत्ता पर भी विशेष ध्यान देने की जरूरत है। विश्वविद्यालय शोध एवं अनुसंधान के तहत भी ऐसी परियोजनाओं पर अपने को केन्द्रित करे जिनका लाभ अधिकाधिक रूप में समाज को हो।

मैं नये शैक्षणिक सत्र में विश्वविद्यालय से जुड़े समस्त छात्रों, संकाय सदस्यों एवं समस्त अधिकारियों- कर्मचारियों के स्वस्थ, सुखद एवं उज्ज्वल भविष्य की शुभकामनाएं देता हूं।

Prof. R.A. Gupta

Vice-Chancellor

University of Kota, Kota

Vice Chancellor's Message

It gives me immense honor and pleasure that I have been given an opportunity of becoming a part of the family and to lead University of Kota. The arena of higher education has experienced a drastic transformation in approach and has marked an astonishing growth. The shift towards inter-disciplinary study approach, research based and interactive learning backed by technology have ushered a new era of opportunities but came with a lot of challenges. The core focus of education is to bridge a gap between academia and industry and to enhance the quality of knowledge in order to build a potential of students with a substance of ethics and values.

The University of Kota, considering the core objective of education has been continuously engaged in maintaining and enhancing student-centric learning environment through groundbreaking education. All the programs and courses offered by the University ensure flexibility of the curriculum integrating a contemporary knowledge and invigorating the creative minds of the students. The learned faculty of the University incessantly working towards upon increasing the overall development of the students through their learning experiences and interactive learning based approach. The faculty of the university have been enthusiastically involved in research, the impact of which eventually passes on the students which encourages their zeal on research, entrepreneurship or practice and enhances their problem-solving capabilities and societal issues.

The University has plenty of infrastructure facilities to offer in the form of health centre, auditoriums, hostel, central library, smart classrooms, sports complex, language lab, well-equipped science laboratories, skill development centre and ICT enabled facilities. In consort with that, we render you the banking, NSS unit, placements, free Wi-Fi, ragging free and serene environment of campus. The University unceasingly involved in nurturing the physical, mental and intellectual growth of the students by conducting extra-curricular, social and cultural programs regularly.

I take an opportunity to welcome the students to the University of Kota family and believe we will be able to provide you with the holistic education framing your future and growth of your overall personality.

I wish all the students the very best for all the future endeavours.

Thank You

(Prof. R. A. Gupta)

1. About the Department

Department of Pure & Applied Chemistry was established in the year 2007. The Department had earned a good reputation as a center of imparting the quality education in teaching and research as well as recognized by national and international University's and research institutes. Our research projects are funded by various national and international funding agencies including UGC, DST, CSIR, BRNS-BARC and Ministry of Environment & Forests, DAE, UGC-DAE, Swedish International Development Agency (SIDA), Sweden and ASIAN project, many more. The Department is also looking for student exchange programs with various foreign universities. The Department is actively involved in the research activities and publishing the research papers in the national and international journals of high repute and impact factors such as ACS Appl. Energy mater., Sustainable Energy and Fuel, Chem. Eng. J., Environmental Science and Technology, Bioorg. & Med. Chem., Bioorg. & Med. Chem. Lett., Tetra. Lett., J. Heterocyclic Chem., Synthetic Comm., Chem. Comm., Journal of Material Chemistry A, Inter. Journal of hydrogen energy, Fuel, Global Challenges, Materials Today: Proceedings, *etc.* and many more.

1. About the Department

The Physics Department of the University has been in existence since 2007 with an objective to provide the physics education of both, pure as well as applied nature, especially, in the fields of energy, plasma and material science. The department runs B.Sc.(Hons.) Physics, M.Sc.(Physics) and M. Tech. (Solar Energy) courses along with the PhD program. The curriculum provides the theoretical and practical knowledge, and in addition, gives the exposure of training in the institutes /organization like BARC, IGCAR, CAT, IPR, TIFR, IITs to the students. Further, students are encouraged to participate and be a part of organizing seminars, workshops and conferences. Department is collaborating with other universities and industry persons for continuous improvement in course content, teaching and research.

2. Objectives and Aim of the Department

1. To play a vital role in promoting the teaching and research in various areas of Physics such as material science, plasma science, energy studies, etc. by strengthening the theoretical and experimental capabilities of the students.
2. To enhance the problem solving approach of the students through tutorial classes and regular tests with special attention on National Eligibility Test (NET), Graduate Aptitude Test in Engineering (GATE), Joint Entrance Screening Test (JEST) syllabus, etc.
3. To generate placement avenues along with the academic alliance with power sectors, industries/corporations, scientific institutions of national and international repute.
4. To motivate the students towards research in high priority areas for welfare of nation and society.

3. Course Details, Facilities and Achievements

Courses offered (Duration)	Seats available	Eligibility

1. About the Department

The university has been running the Department of Physical Education since 2005-06. Before establishing this department, there was no teaching facility for physical education at masters' level in the entire jurisdiction of the University. Being a professional and job oriented course, a large number of students are interested in seeking admission in this course. It has rightly been said that if there are more number of play grounds, less number of hospitals are needed. NCTE recognized M. P. Ed. Course was started by the University for developing physical and mental faculties of the students. Students of this Department have to undertake practical field training. The students of the department have participated in many games and sports events organized by the Association of Indian Universities besides the participation in inter collegiate tournaments held by the University.

1. About the Department

Social sciences are very much present into our day to day life and have a pivotal role in the societal growth and development. If we dig out the historical evidences, we will find that social sciences have been constant part of the development of the human race. Great philosophers like Plato and Aristotle were advocates of social sciences and their philosophies are based on the objectives of social sciences only. Social sciences reveal subjective, objective, inter-subjective and structural aspects of the society. It also measures the social development of the society and emerging drawbacks too. With a thought to watch where our society has been heading what more can be done for the benefit the human race, University of Kota started Department of Social Sciences in the session 2007-2008. Under the umbrella of the department, different courses in various allied disciplines are being run. Faculties from various universities and affiliated colleges are extending their valuable support for successfully running of the courses.
